HEY Potterites! Got the latest book in the Potter Series: Harry Potter and the Half-Blood Prince? If not, then jump up now and hop down to the nearest bookstore and purchase your own copy.

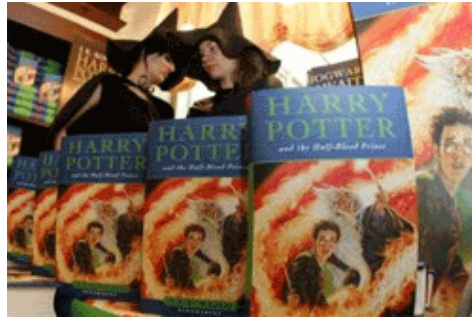

As we all know, Harry Potter series is based on the orphan wizard boy's adventures as he studies at Hogwarts School of Witchcraft and Wizardry. And by the end of the last book (OOTP) it had been made clear that either Harry kills or is killed by Lord Voldemort (the most feared wizard ever). Continuing the plot J.K. Rowling has written yet another masterpiece novel of the series.

HBP has the darkest and most complex plot of all though of course humor and romance are found along with the sinister atmosphere. This book has woven together all the threads of the plot of the other books, preparing the audience for the final blast of the Harry Potter Saga, i.e. the seventh book. The beginning starts rather slowly but as soon as Harry joins his best friends, Ronald Weasley and

Hermione Granger the plot rushes along like the Hoqwarts Express. As Dumbledore says to Harry, "And now let us step out into the night and pursue that flighty temptress, adventure."

Along the book are scenes of comical and rather horrific crushes though final pairs are made at the end of the day. Therefore, Rowling has kept the characters as close to natural adolescent behavior with changing emotions as is possible given that its magic we are talking about. However, by the mid of HBP, the characters and esp. Harry, are out of their adolescence and have reached manhood. It is this required in seventh book the Harry and Voldemort

As we were told –and get to know astonishing past and the reason he is into the web of the saga. that explains the core of the crucial information he enemy. Won't go into the disclosure will spoil the haven't read the book.

J.K.R. kept her word- we details of Lord Voldemort's immortal; all woven neatly This is the main portion the plot and gives Harry all requires to destroy his details or else the surprise for those who

Then of course there is the co-incidence of Harry getting the Potions book of the Half-Blood Prince (by the way Severus Snape gets the post of the Defense Against Dark Arts). Try as you may, I bet you anything you won't manage to guess the HBP unless and until its revealed to you. Therefore if you think you are very clever and have by now (after reading 5 books) understood the nature of all characters, then sorry sir U R NOT and are in for a BIG SURPRISE!!!

Talking about the end ... get your tissues ready. Thinking you are strong of heart? But I am ready to bite my nails if each and every one of you haven't broken down in tears by the end, for the most tragic death of an essential character awaits you, one who has so far formed the essence of the book.
